**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I would like to have the option of choosing a small business that provides excellent service for a much cheaper price than the larger companies. I have dealt with three of the major internet companies over the years and will never go back to them. I am very happy doing business with a smaller hometown company. Please do not do away with broadband, not everyone wants or needs the highest speed pricier internet services.

Thanks
Christine Barrett
